

“EACH DAY IS **CHALLENGING.**
EACH DAY IS **DIFFERENT.**
EACH DAY IS **REWARDING...**”

Lieutenant Jamal Gwathney, Physician, USPHS Commissioned Corps

PROTECTING, PROMOTING, AND ADVANCING THE HEALTH AND SAFETY OF THE NATION.

“As a physician in the U.S. Public Health Service Commissioned Corps, I’m on the front lines of public health: fighting life-threatening diseases, responding to emergencies, and caring for patients—many of whom wouldn’t have health care if not for me. I make a difference in people’s lives every day. I’m also rewarded with an excellent package of salary and benefits, including health coverage, tax-free allowances for housing and food, 30 days of vacation each year, and much more.”
